宏广化妆品包装有限公司  
GRAND COSMETIC PACKING CO.,LTD.

## Company Profile

We specialize in high-class packaging products including glass bottles, plastic caps and leatheroid pouches for perfume and cosmetic industry since 2008.

We have our own separate workshops for moulding, plastic injection, UV coating and pouch production. Proceeding main production in-house makes us control quality and lead time from moulding to finished products with high efficiency.

With more than 15-year experience in packaging products, we can not only provide you with quality products at the competitive price but also offer you creative designs regularly after we start cooperation.

The main goal of our team is to provide you with the best packaging products and best service at the most reasonable cost.
